||| About Us

Experience The Best Quality Products From Us

Quality is the prime aim to attain of our company in our every business endeavor. We are an ISO 9001:2015 certified company. We are having team of quality inspectors having sound technical knowledge of parts that are manufactured in our premises. Our target is to provide zero defects products to client which is remarkable in industry. To meet the global demand we take care at every stage right from raw material purchase to finished goods.

To achieve the maximum standard our quality control team continuously monitors the products and user requirement right from the production stage up to the final dispatch. Every employee of the company is committed to the pursuit of excellence with continuous improvement of the Quality Management System. The quality control department is equipped with all the necessary testing equipments, used by a technically qualified team. Various tests like salt spray tests, acetone rub tests, pencil hardness tests, life cycle tests, etc. are carried out to make sure our products can measure up to international standards.

We usually process stainless steel and brass in large quantities from reliable vendors for manufacturing a series of premium quality hardware fittings, glass fittings, door & window Fittings. Shreeji Impex is renowned for constantly redefining the standards of quality, fit, finishing and manufacturing techniques of hardware and bath fittings in the industry. Throughout our journey, we have prioritized quality, integrity, and innovation. Our unwavering commitment to customer satisfaction has earned us an impeccable reputation in the industry.

Quality Checking Equipments

Instruments are heartbeats of industry. To assure good quality of products, quality instruments are required. Company has invested a good amount to have all type of measuring equipments including all instruments and gauges.

Pencil Hardness Test

Profile Projector
